The 2023 Field of Screams Lethbridge Grand Opening

Lethbridge, AB: We are excited to announce today the grand opening of its 2023 Field of Screams haunted house at the Lethbridge Spitz Stadium at 6:30pm.

The Field of Screams Lethbridge is an exciting Halloween event that supports the Prairie Baseball Academy Scholarship Fund and the Interfaith Food Bank Society of Lethbridge.

The Field of Screams Lethbridge relies heavily on our incredible volunteers, partners, and gracious sponsors to ensure the success of this fundraiser event, all while providing a fantastic Halloween experience for the members of the Lethbridge community.

“The Prairie Baseball Academy Scholarship Fund program enables local student athletes to attend the Prairie Baseball Academy as they pursue their education at the University of Lethbridge and Lethbridge College. Community support is at the heart of our mission, so we’ve partnered with the [Interfaith Foodbank](#) and Sobeys to collect donations in support of the incredible community support services that the [Interfaith Foodbank](#) provides to Lethbridge. Collaboration between community groups is incredibly important, especially in these trying times, and we’re honored to be able to partner with these organizations,” says Kevin Kvame, President of the Lethbridge Bulls Baseball Club.

“The length of the course has easily doubled in size compared to our first year, with the ‘Your Final Resting Place’ added at the end of the walk-through so you can enjoy a warm drink and tasty snacks after a bone-chilling adventure. With the longer tour, added scares and spooky surprises, we hope to provide an excellent Halloween experience for the community of Lethbridge – and our efforts already have the community excited! Last year, we had approximately 700 guests *in total* over the entire two weeks. This year, we have *pre-sold* that number of tickets... all before the Grand Opening! The Buy-In from community groups, business, and the people of Lethbridge have been overwhelming, and we look forward to hosting more guests than ever at this exciting holiday event,” says Lorien Johansen, Project Coordinator at Spitz Stadium.

Throughout the span of Oct 20 – 31, 2023, the Field of Screams Lethbridge will be offering multiple ticket packages:

- Advance ticket sales before each day the event is open.
- Group rates for groups of 10 or more.
- Concession packages.
- Tickets will be discounted for those who donate non-perishable food items at the gate.
- Without a non-perishable food bank donation, tickets are regular price at the gate.

The Field of Screams Lethbridge is also offering online events until October 31, 2023:

- The online Costume Contest and Pumpkin Carving Contest (details can be found on the Field of Screams Lethbridge Facebook Event Page here: <https://fb.me/e/3Ea3Hz4BH>).
- The “I Survived the Field of Screams” draw (details TBA on the Facebook Event)
- The continuous 50/50 Raffle, where partial proceeds will be donated to the Prairie Baseball Academy Scholarship Fund and the Interfaith Foodbank Society of Lethbridge.

To survive the Field of Screams, we advise the public to:

- Dress for the weather.
- Donate food items at the gate for discounts on ticket prices!
- Adjust the scare factor to your liking (ask the volunteers at the gate for help with this!)
- Please walk, don't run, through the Field of Screams.
- Respect Volunteers and fellow attendees.
- Reward yourself with a hot drink and snack at the end of your walk-through.
- Have fun!

With a focus on community engagement (reflected in the collaboration with the [Interfaith Food Bank Society of Lethbridge](#)) and community entertainment (with the extended length of the walk-through, the addition of a concession area and the ongoing 50/50 Raffle and social media contests), the 2023 Field of Screams Lethbridge is expected to be a hit for the Halloween season!

About the 2023 Field of Screams Lethbridge: The 2023 Field of Screams Lethbridge is a collaboration between Under the Lights Sports & Entertainment and our partners Prairie Baseball Academy, the Lethbridge Longhorns Highschool Baseball Academy, the Lethbridge Bulls Baseball Club, and Spitz Stadium in support of the Prairie Baseball Scholarship Fund and the [Interfaith Food Bank](#).

Sponsors & Partners: We thank our Sponsors & Partners [Dave Ankermann Drafting Services \(403.331.8320\)](#), [Lethbridge Movie Mill](#), [Challenger Building Supplies](#), [Lealta Building Supplies](#), [McNally Contractors](#), [Gregg Distributors LP](#), [Cooper Equipment Rentals](#), and [Sobeys Uplands](#) for your support of the 2023 Field of Screams Lethbridge, the Prairie Baseball Academy Scholarship Fund, and the Interfaith Food Bank.

Honouring the Legacy of Tanner Craswell and Mitch MacLean #TCMM

Photo by Lethbridge Sports
12/14/2023 11:50 AM -

Remembering Tanner Craswell and Mitch MacLean #TCMM

With dreams of playing in the big leagues, Tanner Craswell and Mitch MacLean moved to Alberta to hone their baseball skills with the Lethbridge Bulls, Prairie Baseball Academy (PBA), and Vauxhall Academy. The two players clearly made their mark on the community with stories of their selflessness - from helping rookie players to surprising their landlord by decorating his house for Christmas while he was away - shared following the tragedy of their deaths in 2011.

December 15th, 2023 marks twelve years since the tragic night that forever changed the Alberta baseball community. Tanner Craswell and Mitch MacLean, along with Tabitha Stepple, were senselessly gunned down on their way home for the holidays, with Shayna Conway as the sole survivor of the triple homicide. Despite the heartbreaking loss, their enduring impact on the game of baseball and the community they touched remains steadfast.

A Lasting Legacy

Tanner Craswell and Mitch MacLean, known for their passionate, gritty style of play and big aspirations for the big leagues, continue to inspire and influence the baseball community in Alberta. Their enduring legacy includes scholarships that have supported young players in pursuing their own baseball dreams. The scholarships, administered through the Prairie Baseball Academy (PBA) and Vauxhall Academy of Baseball, where Craswell played shortstop in 2007 and 2008, aim to alleviate the financial burden for aspiring athletes.

Kids Baseball Camp and Memorial Fund

The Tanner Craswell and Mitch MacLean (TCMM) Memorial Fund has established an annual kids baseball camp at Spitz Stadium, impacting hundreds of young players. This camp not only imparts valuable baseball skills but also fosters a sense of camaraderie and joy in the spirit of Craswell and MacLean's love for the game.

Honouring Their Lives Through On-Field Events

Each year, the TCMM Memorial Fund organizes a benefit game between the Vauxhall Jets and the Lethbridge Bulls, preceding the Western Canadian Baseball League (WCBL) season. This event provides an opportunity for the baseball community to come together, celebrate the lives of Craswell and MacLean, and support the legacy they left behind. In addition to the benefit game, the annual memorial game and home run derby held at Spitz Stadium in July allow alumni of PBA, Bulls, and Vauxhall Jets to reconnect and share memories. These on-field events serve as poignant reminders of the enduring friendships and bonds formed through the love of baseball.

Turning Tragedy into Hope

The TCMM Memorial Fund initiatives, including scholarships and on-field events, have been instrumental in turning a tragic story into a beacon of hope. By providing financial assistance to aspiring Canadian athletes, the fund ensures that the passion for baseball instilled by Craswell and MacLean continues to flourish. In 2017, Tyson Ford, a former teammate of MacLean and Craswell and who has organized the Memorial Fund events, emphasized the importance of preserving their legacy. He noted that these initiatives help ensure that Tanner and Mitch are not forgotten, and their impact continues to resonate in the hearts of the baseball community. Now in 2023, Tanner and Mitch's legacy is stronger than ever. The efforts of the TCMM Memorial Fund have not only honoured the memories of Craswell and MacLean but have also united the baseball community in Southern Alberta. Despite the passage of time, the bond formed in the wake of the tragedy remains strong, connecting the Bulls, PBA, and Vauxhall Academy.

Moving Forward

As December brings painful anniversaries, the baseball community in Alberta finds solace in coming together to remember Tanner Craswell and Mitch MacLean. The scholarships, kids camp, and on-field events organized by the TCMM Memorial Fund will serve as a testament to the enduring impact of two young men who played the game with passion, grit, and a smile on their faces. In honouring their memories, the Alberta baseball community ensures that the spirit of Tanner and Mitch lives on, inspiring generations of players to come.
